

Bimi Boo®

Design a Fall Sweater

Help Bimi Boo decorate his favorite fall sweater! Add your own colors, patterns, and drawings to make it special.

Let's make it extra cozy!

Help the Squirrel

Find the Acorn

This little squirrel is looking for its acorn! Follow the maze and help the squirrel find the right path.

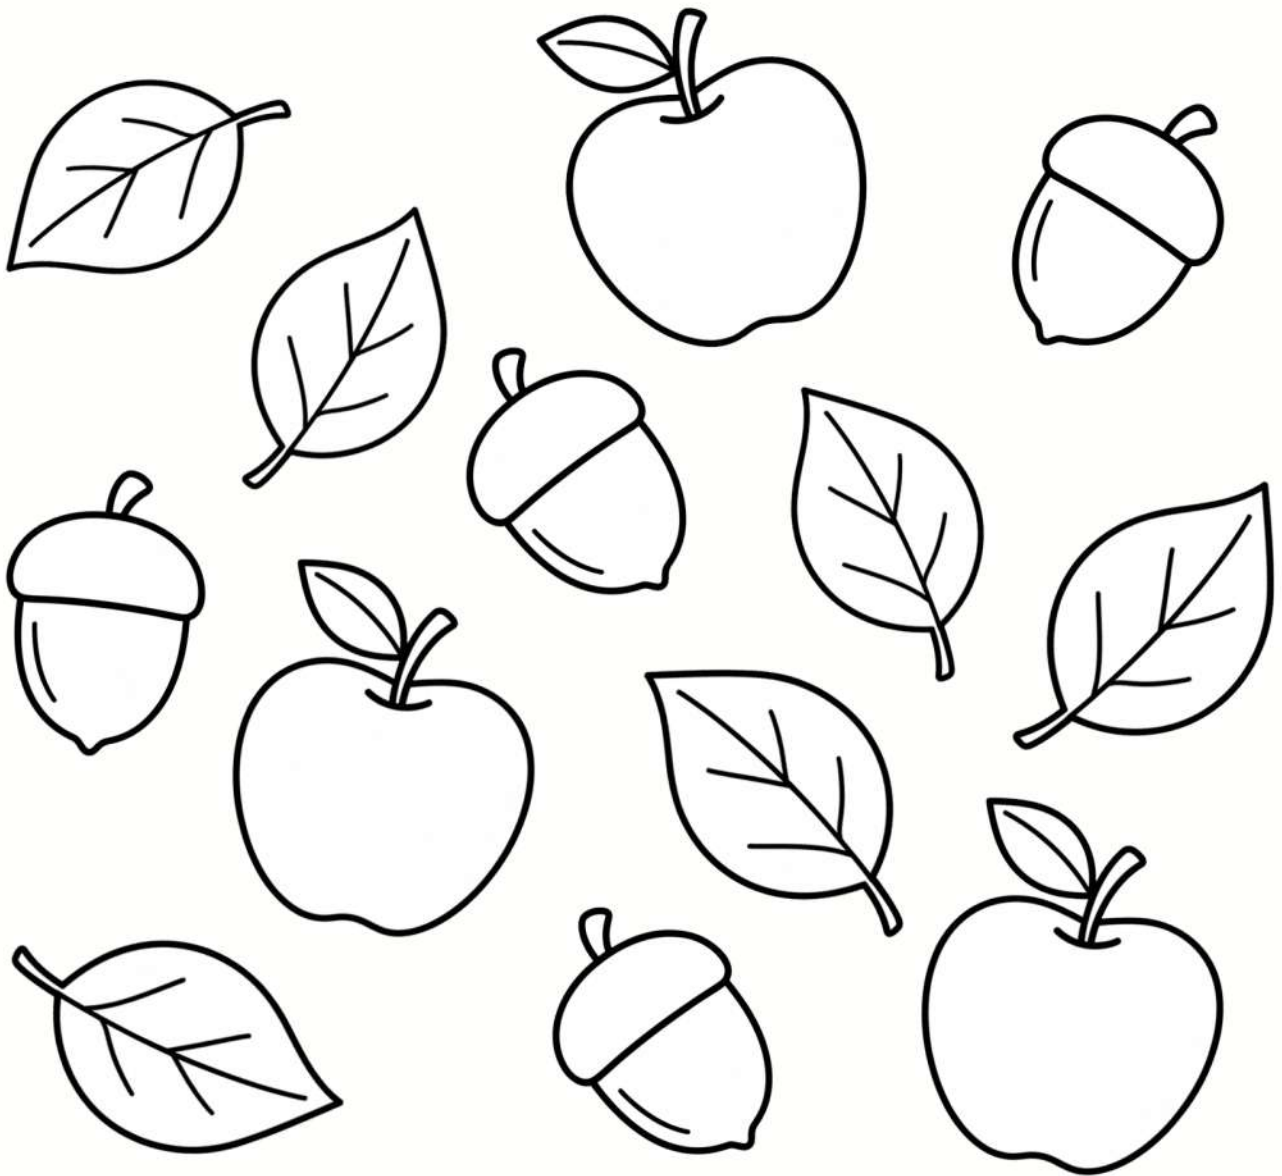

Bimi Boo®

Count the Fall Things

Look at all the fall things Bimi found! Count the apples, leaves, and acorns, then write each number in the box.

					
---	----------------------	---	----------------------	---	----------------------

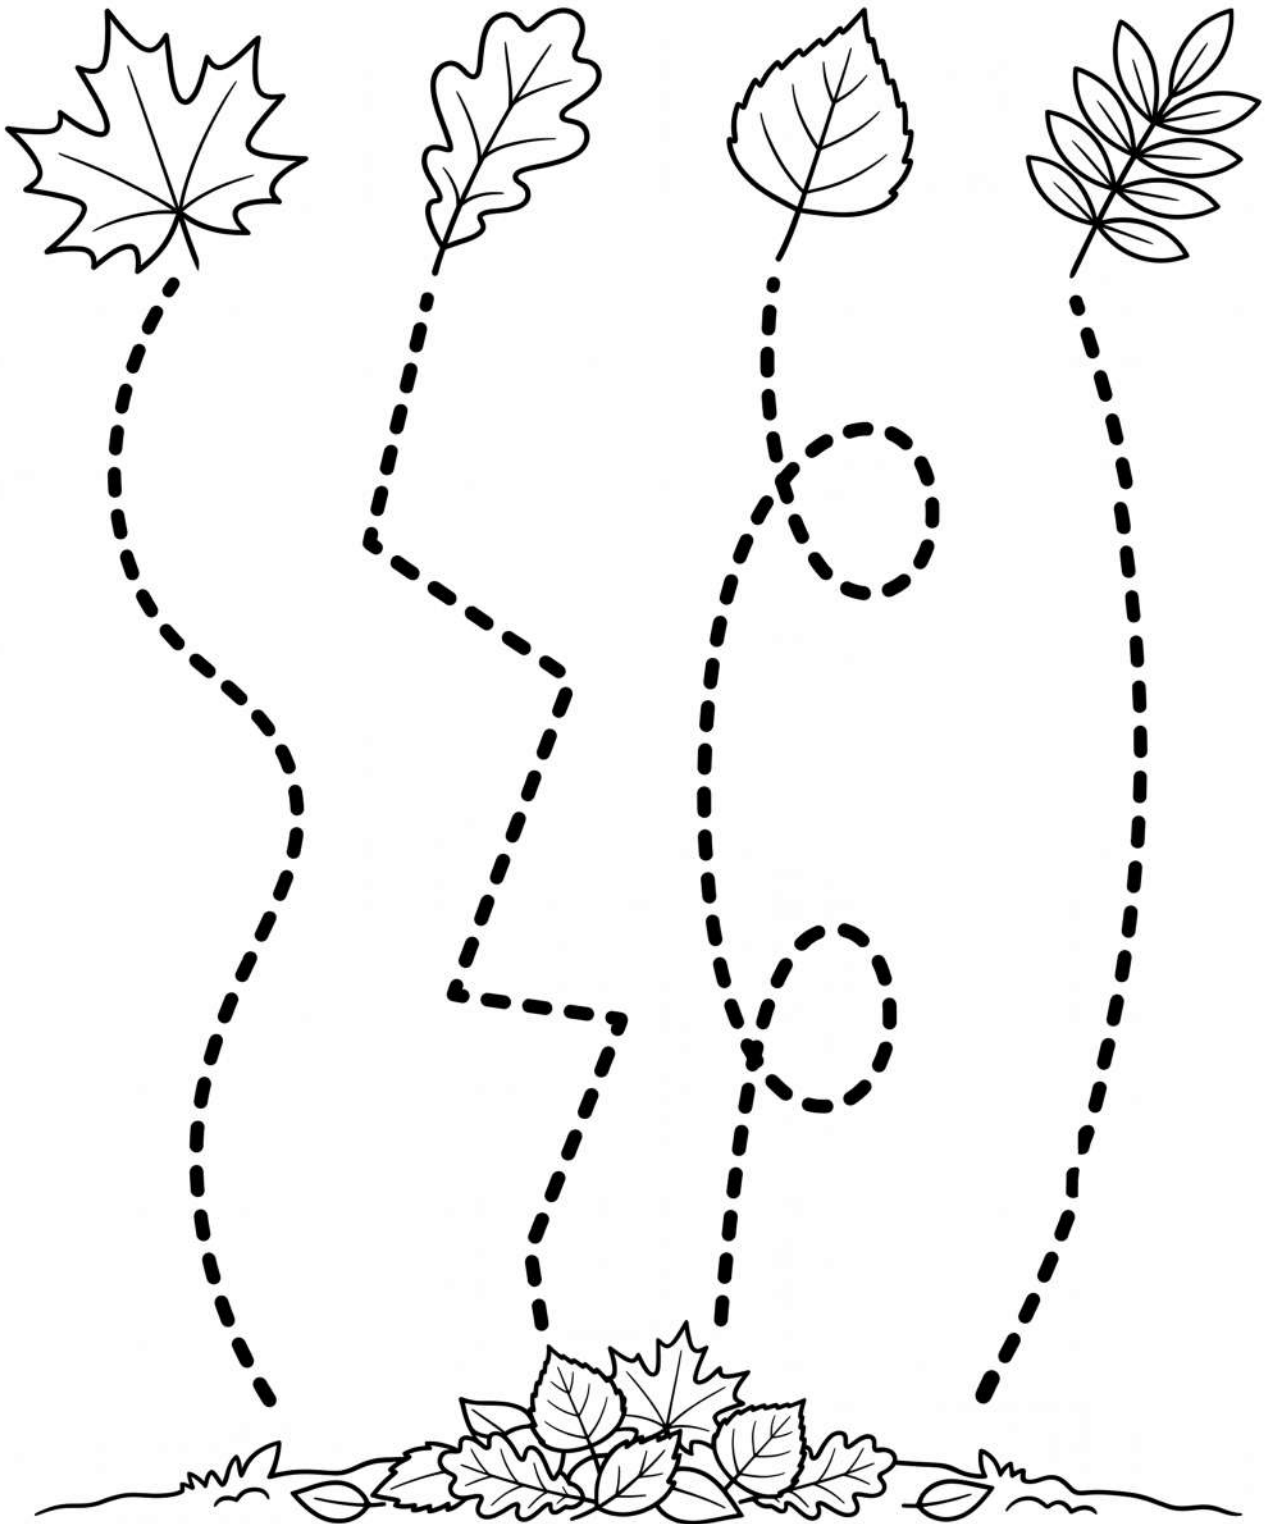

Don't forget to color them, too!

Trace the Falling Leaves

The fall leaves are floating to the ground! Trace each dotted path and follow the leaves as they fall.

Complete the Leaf

Oh no, this fall leaf is only half-finished! Trace the dotted lines to complete the other half, then color the whole leaf.

This leaf needs a little help!
